

Pneumatic Automation

Automation

Fluid Connectors

Hydraulics

Instrumentation

Actuators

- Guided Cylinders
- Rotary Actuators
- Swing Clamps
- Grippers

Cylinders

- NFPA Standard
- Low-Profile
- Stainless Steel Round Body
- Mini-ISO
- Standard ISO
- Rodless

Valves

- Solenoid
- Remote Pilot
- Manual / Mechanical
- Serial Addressable
- ISO Sizes 02, 01, 1, 2, 3
- Telepneumatic Logic

Vacuum Components

- Vacuum Generators
- Cups and Pads
- Sensors
- E-Stop and Air Conservation Units

Air Preparation

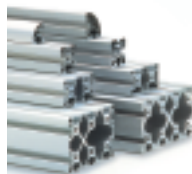

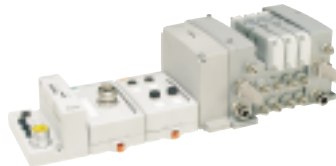

- Filters
- Coalescing Filters
- Manual Regulators
- Electropneumatic Regulators
- Lubricators

Structural Framing

- Extruded Aluminum
- Inch and Metric Options
- Connectors and Fasteners
- Linear Guidance Systems

Pneumatic Accessories

- Mufflers, Silencers
- Flow Controls
- Needle Valves
- Check Valves
- Fittings

Components to Complete your Circuit

Professional Training and Support

Assembly and Kitting Capabilities to Save you Time & Money

Complimentary Products

- Reading Technology - Water Removal Filters
- Cylinder & Valves, Inc. - Brass Cylinders
- Pneumadyne - Mini Brass Valves
- Goodyear - Air Springs
- Van Air - Air Dryers
- Airmite Devices - Air Presses
- NoShok - Pressure Gauges & Transducers
- DE-STA-CO Automation Clamping
